

Monday morn.
Apr. 1st 1934.

My Dear Edna

It'd be glad for you
to come to see me any time
you can, but I know you
can hardly get away from
home and all of them in
school. Some body has to do
the housework.

Davie is at home now her
school is out and she doesn't
get her last morn. pay till June.
It rains all the time we don't
have all our garden plowed yet
and now it won't do in another
week we have some things planted.

I went over to Harvies Sat,
morning and it rained all
day and I spent the night
and took dinner with Emma
and John ^{Sunday} brought me home
and it rained all night again
Gertie came yesterday P.M.
She cant come often.
Martha Lou is home now her
school is out.

I am going over there to day
or tomorrow if I can get Mr.
Coggins to take me and
stay with them for a while
and with Evelyn and the girls,
Rachel finishes high school. She
was chosen Sarcularian.

I didn't spell it right but you will understand.

Fred Brown, Algiers Bros. is to deliver the address.

I wish you all would come there if you can't come before but you know I might not be here, but I hoped to.

I hope I live to see you all again. I am due them all letters. Dorothy was married Mar. 16th. I didn't know whether you had heard it or not for you never named it.

She married Turner Belle. I feel sorry for L. B. and Chaclie. They are left so lonely.

I am glad Roy has a job for the
Summer. There seems no jobs
here for boys or men either.

Edna my cough is some
better, but this damp weather
& another so badly.

I never slept very well last
night. The sun is shining
foretly. I have two dresses
to make but dont know how
to make them, David has
got some new patterns.

I must quit my back gives
out. Could school you can.

Where is Mary now?

Winnie Hall is teaching
at Pine Creek stays with
Clara Lon. The old folks school.

Lots of love to every one from
your own Mother.
