My dear Edna,

I am ~~here~~ in bed not able to write

Geneva is staying with me now. She will write for me. Sue Dillard is here she has been here since Wed. she is leaving today, I was so glad to see her. I am not much better.

Blanche is staying with Madge (Dillard) Merrill. I have been very sick I have had Dr. Painter several times. He called Candler Wed. to see me. I have a constant cough and am very sore. The children start to school next Monday. The rest are well. I would love to see you but know you can't come. Aunt Edna I certainly will be good to grandma and I will do everything I can for her. I enjoy waiting on her so much. People have been so good to her. Grandma isn't helpless yet, she can get over her Chamber. Bless her heart she is so good. Love to all,
Geneva and
mother
